SOAP SCULPTURES

Make this simple, shape-able dough that's sure to make washing hands tons of fun!

MATERIALS

- Bar of Soap
- Cheese Grater
- Small Bowl
- Plastic Spoon
- Water
- Optional: Cookie Cutters

INSTRUCTIONS

1. Grate a bar of soap into a bowl using the small holes of your cheese grater. A 1/4 cup of shavings will make a small bar of soap.
2. Drop a few splashes of water into the soap shavings. Using a spoon or your hands, work the mixture until it is a dough like consistency. Careful not to add too much water!
3. Once the soap is dough like, it can be shaped into sculptures, or you can use cookie cutters as a mold for you soap.
4. Allow to dry for 24-48 hours in a cool dry place to harden
