APRIL FOOLS INSIDE SNOW

Celebrate April Fools by creating this easy to make play snow inside!

MATERIALS

- Baking soda
- Water
- Bowl
- Baking pan or tray with sides
- Optional: biodegradable silver or white glitter

INSTRUCTIONS

1. Pour one cup of baking soda into the bowl.
2. If using glitter, add a tablespoon now and mix with the baking soda.
3. Add water, one tablespoon at a time, until dough holds its shape when squeezed.
4. Put dough in freezer for ten minutes for more of a realistic snow feel!
5. Can you make a snowman? What materials can you find around your house to decorate it?
6. For more inside snow fun, read along with an animated version of Ezra Jack Keats' *The Snowy Day* here:
