## TIC TAC TOE

Get outdoors and gather materials to create your own version of this classic game.

### MATERIALS

- 10 smooth rocks about the same size
- 3 colors of paint, including black
- 2 foam brushes or paintbrushes
- Small flat paintbrush or Sharpie
- 4 sticks about 12 inches each

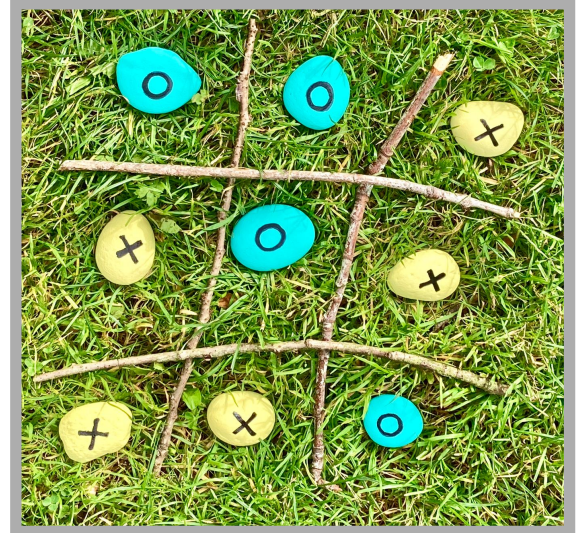

### INSTRUCTIONS

1. Go on a nature walk to collect 10 smooth rocks that are similar in size and 4 sticks.
2. Wash and dry the rocks for a clean surface.
3. Using a foam brush or paintbrush, paint 5 of the rocks one color and 5 rocks another color. Let them dry completely before applying a second coat.
4. Using a small flat brush, paint an "X" on one set of colored rocks and an "O" on the other set. Let them dry. Option: use a black Sharpie.
5. Arrange the sticks to create a tic tac toe board and you are ready to play!

#### Suggestions:

- Replace the "Xs" and "Os" with two different kinds of flowers, fish, or bugs. Be creative!
- Instead of using sticks, use chalk to draw on the sidewalk.
- Place the stones in a bag and take them with you on your next adventure to the park.
