

# FIG at Home

## TANGRAM ANIMALS

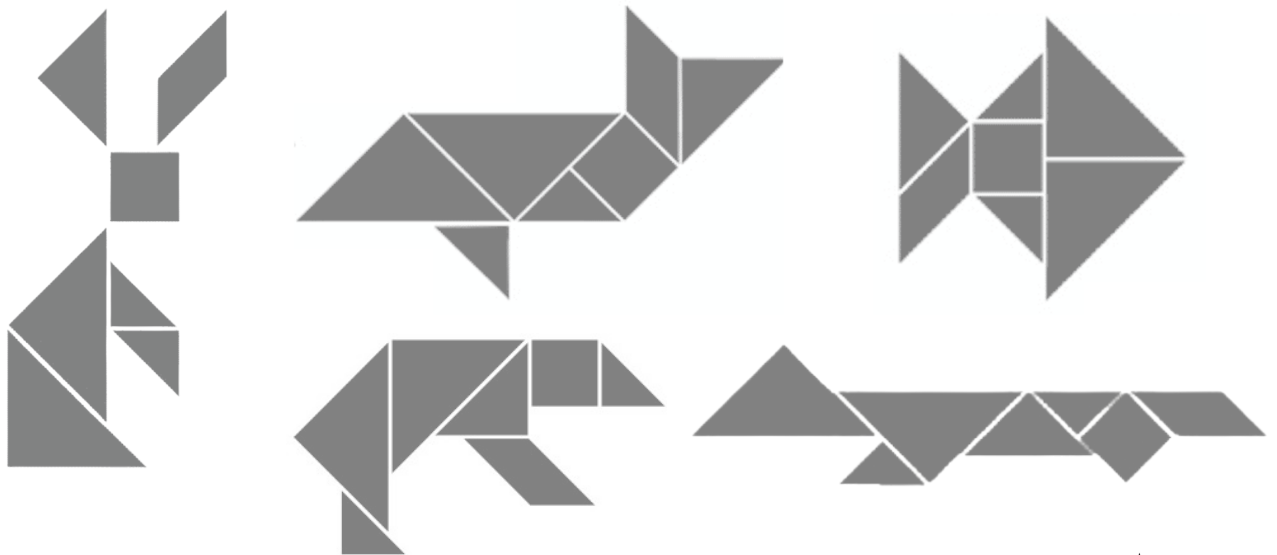

"What do you see? Is it a cat or a fox?"  
Create your own set of tangrams to  
build animal silhouettes and more!

### MATERIALS

- Cardstock or printer paper
- Tangram template (included)
- Scissors

### INSTRUCTIONS

1. Print out the tangram template (included) on cardstock or printer paper.
2. Cut out the 7 shapes.
3. Arrange the shapes to create the animals below. Use your imagination to create different animals and objects. Can you build a rocket or a boat? Can you build the letters of the alphabet?

Tangram - a Chinese geometric puzzle consisting of a square cut into 7 pieces that can be arranged to make various other shapes.

Share your creations by using #FIGatHome and tagging us on Facebook, Twitter, and Instagram!
