RAINBOW TWIRLER

Time to play with the wind and twirl into spring.

MATERIALS

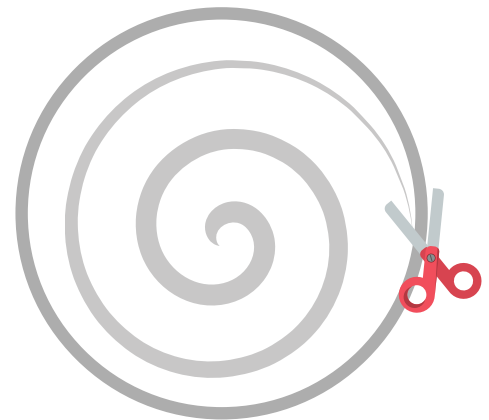

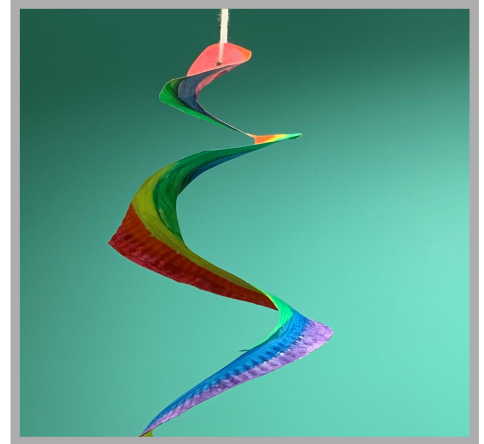

- White paper plate
- Paint: red, orange, yellow, green, blue, purple
- Paintbrushes
- Scissors
- Glue

INSTRUCTIONS

1. Paint rainbow stripes on the front of a paper plate.
2. Let it dry completely, and flip it over to paint the back as well. Grab a hairdryer if you want to speed up the process.
3. Starting at the outside of the plate, cut into the paper plate making a spiral until you reach the center.
4. Poke a hole in the middle of the plate, and add a string to hang it up!

Optional ideas:

- Add some biodegradable glitter to make it sparkle.
- Punch holes along the spiral and tie ribbons to blow in the wind.

Example: cut into the center of the plate making a spiral
