BUBBLE PAPER

Pop into summer with colorful bubble paper.

MATERIALS

- White construction paper
- 2-3 cups and a bowl
- Food coloring
- 1 cup water
- 1/2 cup liquid dish soap
- 3 tablespoons corn syrup (for stronger bubbles)
- Straws

INSTRUCTIONS

1. Mix 1 cup of water, 3 tablespoons of corn syrup, and 1/2 cup liquid dish soap into a bowl.
2. Divide the mixture into 2 or 3 cups.
3. Add a few drops of food coloring into each cup.
For stronger colors, add more food coloring.
4. Add a straw to each cup and mix it all together.
5. Blow through the straw in each mixture to create bubbles.
6. Once you have a lot of bubble foam on the top of the cup, lay the paper on top to print the bubbles.
The bubbles will POP and create a print.
7. Repeat steps 5 and 6 until your paper is completely covered. Alternate between the different colors.
8. Let it dry completely.
9. Fold your paper in half to create a card or use it as wrapping paper.
