CHEER POM-POMS

Cheer on your favorite team with your own colorful pom-poms!

MATERIALS

- Tissue paper (at least 4 sheets)
- Scissors
- Tape

INSTRUCTIONS

1. Choose 4 sheets of tissue paper. Grab 2 of your favorite team colors or use 1 color to make a solid pom-pom. For fuller pom-poms use more sheets of tissue paper.
2. Align the 4 sheets of tissue paper alternating colors, and lay them on a flat surface.
3. Cut approximately 1-inch strips about $\frac{3}{4}$ of the way up the entire length of the tissue paper (this task is for an adult or older child).
4. Starting on one end of the uncut tissue paper, gently roll it up to make the handle to hold your pom-poms. Keep it tight, making sure the ends of the tissue paper line up.
5. When you finish rolling the handle, secure it with tape to keep it nice and tight.
6. Give your pom-poms a good shake and cheer on your team!
