## CANDLE HOLDER

Decoupage a beautiful candle holder to brighten up your home or gift to a loved one.

### MATERIALS

- Glass jar
- Pieces of colorful tissue paper
- Decoupage mixture (equal amounts of glue & water)
- Paintbrush
- Ribbon or yarn
- Candle and paper towel (optional)

### INSTRUCTIONS

1. Using a paintbrush, brush a light amount of mixture onto the glass jar.
2. Position pieces of tissue paper on the part of the jar that is covered with the mixture.
3. Continue gluing on pieces of tissue paper, overlapping at the edges, until the entire jar is covered.
4. Brush a final light coat of mixture over the entire candle holder to hold it all in place.
5. Use a damp paper towel to wipe off any excess mixture if needed,
6. Let the glue dry completely.
7. Tie or glue ribbon or yarn around the outside rim of the jar.
8. Put a candle in the jar, and light it to brighten up the room!
